BoQ

Date: 21/08/2026
Project: Gribble Bridge Lane, Biddenden
Client: Alex Collins - Ether Creative
Revision: A

[illegible]

General & Scope of Works

- 1 Our quotation is valid for 30 days from the date issued. After this period, we reserve the right to review rates due to material price fluctuations.
- 2 All Main Contractor Discounts (MCDs) are included within the rates shown. All prices are subject to VAT at the standard rate, unless 'Reverse Charge VAT' rules apply.
- 3 The quotation allows for one continuous visit to site. Required notice for mobilisation is 3 weeks unless agreed otherwise.
- 4 Our standard working hours are Monday to Friday, 7:30am - 4:00pm. We have only allowed for works during these hours. Weekend shifts (Saturday & Sunday, 8:00am - 2:00pm) or out-of-hours work must be arranged with management and will incur additional costs.
- 5 Our quotation includes for general supervision but not a full-time non-working supervisor.
- 6 Quantities are as outlined in our attached BOQ. The quotation is based on information provided and remains subject to change following a full site survey.
- 7 All setting out, traffic management, pedestrian management, and signage are to be provided by the client unless specifically stated otherwise.
- 8 Parking, welfare, and secure storage facilities are to be provided by the client free of charge.

Site Conditions & Liabilities

- 9 Good access for plant, delivery vehicles, and equipment is required directly to the point of installation.
- 10 No excavation is included unless specifically stated within the quotation.
- 11 No allowance has been made for the testing, removal, or disposal of any contaminated materials (including asbestos), archaeological items, or buried munitions.
- 12 Underground Services: The client is responsible for providing up-to-date and accurate utility drawings. Pinnacle Groundworks Ltd accepts no liability for damage to uncharted or incorrectly charted underground services.
- 13 Pinnacle Groundworks Ltd cannot be held liable for issues or defects arising from sub-bases or preceding works installed by others.
- 14 Natural materials may exhibit colour variations due to batching and delivery requirements; this is not considered a defect.
We accept no liability for delays to the programme caused by adverse weather conditions or other events outside of our reasonable control. We do not accept Liquidated and Ascertained Damages (LADs) or liability for consequential losses unless explicitly agreed in writing prior to commencement.
- 15

Health, Safety & Variations

- 16 Our quotation includes a light site induction for our operatives, the production of site-specific RAMS, and daily pre-start sheets if required.
- 17 Variations: Any additional works outside the quoted scope must be instructed in writing (via Site Instruction or CVI) by an authorised representative of the client before works proceed. These will be valued at our standard daywork rates plus materials and plant, unless agreed otherwise.
- 18 Abortive Visits & Cancellations: Works cancelled within 48 hours of commencement, or delays on site preventing our operatives from working (due to site unreadiness, lack of access, or failure of preceding trades), will incur an abortive visit charge or standing time fee.

Commercial Payment Terms

- 19 Unless agreed otherwise, the below terms apply:
- 20 Unless explicitly agreed in a formal sub-contract order, our retention percentage is 0%
- 21 An upfront deposit payment for materials will be required prior to works commencing - this is usually 50% of total quote.
- 22 Invoices will be issued every Monday following weekly on-site valuations. Payment terms are strictly 7 days from the invoice date, subject to applicable Construction Industry Scheme (CIS) deductions.
- 23 Retention of Title: All materials supplied remain the property of Pinnacle Groundworks Ltd until paid for in full. We reserve the right to enter the site to recover unpaid materials.
- 24 Pinnacle Groundworks Ltd reserves the right to charge interest at 8% above the Bank of England Reference Rate on any late payments and claim compensation for debt recovery costs as set out in the Late Payment of Commercial Debts (Interest) Act 1998 as amended.
- 25 Payment Methods Accepted: Bank Transfer

Dayworks

- 25 Applicability: These terms apply to any works carried out on a 'dayworks' basis.
- 26 Minimum Chargeable Duration: All personnel, plant, and machinery allocated to the Client on a Daywork basis are charged at a minimum full shift rate (typically 7:30am to 4:00pm or as per site agreement).
- 26a If the Client, Site Agent, or Manager instructs the gang to leave site early (e.g., at 12:00 pm), or if works are completed before the end of the shift, the full shift duration remains payable.
- 26b We do not accept half-day rates or hourly pro-rata payments for shifts shortened by the Client.
- 27 Inclement Weather Policy: When resources are hired on a Daywork basis, the risk regarding weather conditions resides with the Client.
- 27a If operatives/gangs are deployed to site and works are suspended, sent home, or unable to commence due to adverse weather conditions (rain, snow, frozen ground), the full scheduled shift remains payable.
- 27b It is the Client's responsibility to assess the weather forecast and provide notice of cancellation if they wish to avoid charges.
- 28 Cancellation & Stand-Down Notice: A minimum of 24 hours' written notice is required to cancel, stand down, or reduce the size of a requested gang.
- 28a Notice must be received by Pinnacle Groundworks Ltd office staff by 10:00 am on the preceding working day.
- 28b Failure to provide adequate notice will result in the full charge for the scheduled labour and plant for that specific day.
- 29 Client Supervision & Liability: Unless otherwise agreed in writing, personnel supplied on Dayworks act under the direction, supervision, and control of the Client. The Client is responsible for ensuring a safe system of work, providing welfare, and verifying the quality of works carried out during Daywork hours.
- 30 Plant & Materials: Unless explicitly included in the rate, all plant fuel, materials (including disposables such as disc cutter blades, 2 stroke oils, etc.), and distinct plant hire (excavators, dumpers) are chargeable in addition to labour rates at a rate of plus 15% of cost. Any damage to Pinnacle Groundworks plant caused by Client instruction or site conditions will be charged to the Client.
